Snippets from Steve

This Sunday I am speaking on Ruth in the Bible. There is some very interesting information in the book as well as some great teaching points.

The book is set in Moab & Bethlehem, where Jesus was born many decades later. It details a true love story, not only between man and woman but between mother and daughter in law. It is a story that we need to apply to today's families who seem to think either mother in laws or daughter in laws are evil people trying to rip their hearts out (Although I admit some do that for sure).

That is really what I'm not speaking on but wanted to point it out anyway.

In Ruth 3: 11 we read the words said by Boaz, her family redeemer... *I will do what is necessary for everyone in town knows that you are a virtuous woman'*

WOW what a legacy to be known by! The WHOLE town knew she was a virtuous woman. A woman of honour and

one who could be trusted.

In the context that I'm going to put it in is this. In yours/my church, community, town, village, family, are we known for our virtue, honesty, integrity?

I do pray that is true. In Proverbs 22; 1 Solomon says... *"choose a good reputation over riches, for being held in high esteem is better than having silver & gold"*. It reminds me of one of my previous messages, *When you walk into the room do people light up or black out.*

When people in your church see you come into the room do they leave or want to be near you because of the light you bring in with you.

Ruth's virtuous reputation earned her the love of not only Naomi, but Boaz, and the town of Bethlehem, as well as hers and Naomi's family redeemer. The same can be true of you and I wherever we are living today.

God bless
Pastor Steve.

!!! A CHANGE OF EMAIL ADDRESS FOR CLUB SOLO !!!

The NBN (National Broadband Network) is now operational in Mill Park and it turns out that Solo needs to change service providers. So we have found the best deal is with TPG and it will save Solo \$40 per month. That's the upside.

The downside is that we have to change our email address. Our new email address will be: clubsolo@tpg.com.au The new address will take effect some time during July 2014...unfortunately TPG cannot provide an exact date. The other downside is that our old service provider is not able to redirect any emails that are sent to our old address once the switch is made. So if at any stage you get an email bounce back to you then you will know the old address has ceased and the new address is up and running. I will send an email around as soon as the new email address is functioning.

Note that all our current leaflets and brochures still include the old (current) email. *Any questions please contact me.*

NSW CAMP AT LUTANDA CAMP TOUKLEY 3 - 6 OCTOBER '14

This year we are moving campsites to make sure that we don't get snowed out or burnt out this time. Camp Toukley is a great place to have a camp and spend the Labour Day Long Weekend with a great bunch of single Christian adults. ***I will be the speaker*** this year and I'm looking at speaking on *The Foundation of Our Faith...where do you stand on them!* As Christians we need to know Who we believe and why so that we can have assurance of our salvation and also know how to witness or talk about our faith with confidence. We need to know that we know Jesus is our Saviour and Lord and live like that day by day. Come and enjoy this great time away with us to the campsite that has a lot to do onsite and is close to lots of things to see and do. **(See attached/enclosed brochure for details)**

GOLD COAST HOLIDAY JAN 2015!

Yes we are back at Tallebudgera for a second year in 2015. The survey results that came in were happy for Solo to return to this great campsite for another great time away. This year we have to start the camp a little later in January due to the site being booked out for the first 10 days. So the dates for next year are from **Sat. 10 - Sun 18 Jan. '15**. That's right we have an extra day to enjoy our holiday on the Gold Coast and surrounds. A number in the survey, and at other times during the year, have commented that they would like an extra day or two on camp so we have arranged that. We also have available a few single & twin rooms as well as the quad rooms. We are again purchasing the top bunks so that there will only be a maximum of 4 per room unless you want a single or twin room. Single and twin rooms are limited so you will need to book in early to confirm same. (See attached/enclosed brochure).
